

End User License Agreement for Microchip TCP/IP Stack Software and Proprietary Documentation for use with Microchip Products

IMPORTANT - READ CAREFULLY. This License Agreement is a legal agreement between you (either an individual or a single entity) and Microchip Technology Incorporated ("Microchip") for Microchip's TCP/IP Stack Software ("Software") and accompanying proprietary documentation ("Proprietary Documentation"). The Software and Proprietary Documentation provided herewith are intended, and supplied to you, for use solely and exclusively in a system that incorporates the Software that is either (i) embedded in a Microchip microcontroller product or (ii) used with a Microchip ethernet controller product, and for no other use or purpose whatsoever. Microchip will license the Software and Proprietary Documentation to You only if You first accept the terms of this agreement. By indicating acceptance below, or by otherwise installing, copying or using the Software or Proprietary Documentation, you agree to be bound by the terms of this agreement. If you do not agree to the terms of this agreement, so indicate below and promptly destroy the Software or return the unused Software for a full refund of moneys paid, if any.

THE SOFTWARE AND PROPRIETARY DOCUMENTATION MAY BE ACCESSED ONLY IF YOU ACCEPT THE TERMS AND CONDITIONS OF THIS LICENSE AGREEMENT. PLEASE INDICATE YOUR ACCEPTANCE OR NON-ACCEPTANCE BY SELECTING "I ACCEPT" OR "I DO NOT ACCEPT" AS INDICATED BELOW.

The Software and Proprietary Documentation are protected by U.S. copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

1. Ownership and Title.

All right, title and interest, including intellectual property rights, in and to the Software and the Proprietary Documentation shall remain in Microchip. The Software and Proprietary Documentation are licensed pursuant to this agreement, not sold. Microchip owns all proprietary rights to the Software technology, including, but not limited to, the TCP/IP Software as implemented in microcontroller products and including all hardware and Software implementations of the Software technology. Microchip reserves all rights not expressly granted to You.

2. Grant of Limited License and Restrictions.

Subject to all of the terms and conditions of this agreement, Microchip grants to You a worldwide, fully paid-up, non-exclusive license to modify, reproduce, have reproduced, market, sell, distribute and use the Software, for the sole and limited purpose of integrating the Software into Your own "conforming systems" that you will distribute. Conforming systems are those systems which incorporate the Software that is either (i) embedded in Microchip microcontroller product or (ii) used with a Microchip Ethernet controller product. No license is hereby granted to the Software for any other purpose and no license is granted to distribute the Software in a form other than as part of a conforming system.

If You are using this Software along with a Microchip Ethernet controller, You may port the driver source files named ENC28J60.C and ENC28J60.H to either a Microchip microcontroller or non-Microchip microcontroller for purposes of interfacing with the Microchip Ethernet controller product.

Subject to all of the terms and conditions of this agreement, Microchip further hereby grants to You a world-wide, fully paid-up, non-exclusive license to use the Proprietary Documentation provided with the Software internally only. The Proprietary Documentation may be reproduced, copied or disclosed to parties other than Microchip for purposes of supporting a conforming system that uses the Software

You may enter into agreements or arrangements with individuals or entities other than Microchip for the modification, reproduction, and distribution of the Software; provided, however, that You first obtain an executed agreement with those individuals or entities that requires such modification, reproduction or distribution only be permitted where the Software is incorporated into Your conforming systems. All

copies of the Software created by You or for You must include Microchip's copyright, trademark and other proprietary notices.

You may not remove or alter any Microchip copyright or other proprietary rights notice contained in any portion of the Software or Proprietary Documentation that bear such a notice or in any reproductions thereof. You may not remove or alter any identifying screen that is produced by the Software.

You may modify, adapt and prepare derivative works of the Software only as necessary to incorporate the Software into Your conforming systems, and may distribute any such derivative works as part of Your conforming systems without additional license or fees, subject to all of the terms and conditions of this agreement. You may not prepare derivative works of the Proprietary Documentation.

This license is not transferable or sub-licensable. Neither this agreement nor any rights, licenses or obligations hereunder, may be assigned by You without the prior written approval of Microchip.

You may use the Software only with respect to the manufacture and sale of Your own conforming systems. You have no right to sell, assign, lend, rent, lease or otherwise transfer all or any portion of the Software or the proprietary rights for the Software except as expressly set forth herein, and this agreement grants no additional manufacturing, sales or marketing rights. You may not permit others to use or access the Software or Proprietary Documentation excepts as expressly permitted.

You may not reverse engineer (by disassembly, decompilation or otherwise) the Software and may not copy or reproduce all or any portion of the Software or the Proprietary Documentation, except and only to the extent that such activity is specifically allowed by this agreement or expressly permitted by applicable law notwithstanding the foregoing limitations. You may not copy or reproduce all or any portion of the Proprietary Documentation without the express written consent of Microchip.

3. Confidentiality.

You agree not to disclose confidential information respecting the Software and Proprietary Documentation to any third party. Confidential information shall not include any information which is in or becomes part of the public domain or which is independently developed or which is independently obtained free from any obligation of confidentiality.

4. Termination of Agreement.

Without prejudice to any other rights, Microchip may terminate this agreement if You fail to comply with the terms and conditions of this agreement. Upon termination, You will immediately destroy all copies of the Software and will return all Proprietary Documentation. You will have a reasonable period after the termination of this Agreement to sell the existing inventory of Your conforming systems.

5. Indemnity.

You will indemnify and hold Microchip, its related companies and its suppliers, harmless for, from and against, any claims or liabilities, including without limitation product liability claims, arising out of the use, reproduction or distribution of Your products that incorporate the Software, or any unauthorized use or sale by You of Your product or any unauthorized use or disclosure of any information regarding the Software, the Proprietary Documentation or any other proprietary rights of Microchip.

6. Limited Warranty and Limited Liability.

THE SOFTWARE AND PROPRIETARY DOCUMENTATION IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION, ANY WARRANTY OF MERCHANTABILITY, WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, AND WARRANTY OF NON-INFRINGEMENT OF ANY INTELLECTUAL PROPERTY RIGHT OF A THIRD PARTY. THE ENTIRE RISK ARISING OUT OF USE OR PERFORMANCE OF THE SOFTWARE AND OTHER DOCUMENTATION PROVIDED UNDER

THIS AGREEMENT IS ASSUMED BY YOU, AND MICROCHIP ASSUMES NO RESPONSIBILITY FOR THE ACCURACY OR APPLICATION OR OF ERRORS OR OMISSIONS IN THE SOFTWARE AND DOES NOT WARRANT THE FUNCTIONS CONTAINED IN THE SOFTWARE WILL MEET YOUR REQUIREMENTS OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE OR THAT ANY DEFECTS IN THE SOFTWARE WILL BE CORRECTED. IN NO EVENT SHALL MICROCHIP BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES, LOST PROFITS OR LOST DATA, COST OF PROCUREMENT OF SUBSTITUTE GOODS, TECHNOLOGY OR SERVICES, ANY CLAIMS BY THIRD PARTIES (INCLUDING BUT NOT LIMITED TO ANY DEFENSE THEREOF), ANY CLAIMS FOR INDEMNITY OR CONTRIBUTION, OR OTHER SIMILAR COSTS.

7. General.

Nothing in this agreement constitutes a waiver of Microchip's rights under U.S. copyright laws or any other federal, state, local or foreign law. You are responsible for installation, management and operation of the Software. This agreement shall be construed, interpreted and governed by the laws of the State of Arizona. If any provision of this agreement is found void or unenforceable, the remainder of the agreement will remain valid and enforceable according to its terms. If any remedy provided is determined to have failed of its essential purpose, all limitations of liability and exclusion of damages set forth in the limited warranty shall remain in effect.

You agree to comply with all export laws, restrictions and regulations of the U.S. Department of Commerce or other United States or foreign agency or authority.

If you have any questions concerning this agreement, please write Microchip Technology Inc. 2355 W. Chandler Blvd. Chandler, AZ 85224 USA, ATTN: Marketing.

Use, duplication or disclosure by the United States Government is subject to restrictions set forth in subparagraphs (a) through (d) of the Commercial Computer-Restricted Rights clause at FAR 52.227-19 when applicable, or in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013, and in similar clauses in the NASA FAR Supplement.
